

# JANUARY

The Faculty and Staff of Lake Village Learning Center would like to take this opportunity to wish you and your family a Happy New Year. Last year was a very successful year for us all. However we all know that with a new year comes NEW BEGINNINGS, NEW HOPES and greater things for both centers.

As we kick off the beginning of 2017, we ask that our parents continue to work with us as we strive towards excellence. We are asking that parents check behavior calendars everyday and return them with your signature.

Also be sure that your child is completing and returning their homework every week in a timely manner. Daily sheets are sent home daily and we hope that you all are paying close attention to the information that is provided on those sheets.

We are looking forward to this wonderful year and with your support, nothing is impossible!
